Snorkel Sail

Saturday, October 23, 2004

Become a fish and explore the world down under! Board a luxury custom sailing catamaran and view life under the beautiful turquoise waters of the Caribbean. A St. John National Park Ranger will do an interpretation on the way to the pristine outer reefs and will do an in-water guided tour in the protected National park waters. You might see turtles, an underwater starfish bed, octopus and maybe a dolphin. After your snorkel the catamaran will stop at beautiful Honeymoon Beach for more snorkeling or a quiet walk along the beach. Then sit back and enjoy the view as you sail back to the Westin dock. Your sail includes light hors d'oeuvres and open bar as well as all snorkel gear and gratuities.

Itinerary:

1:30 PM Depart the Westin Dock
5:30 PM Return to the Westin Dock

Price: \$95.00/person (Min. 15 persons/Max. 49 persons)

Scavenger Hunt

Sunday, October 24, 2004

View the beautiful island of St. John while participating in a competition with family and friends. Climb into a Jeep and head off around the island with your instructions and questions. You'll need to use your wit to ascertain the answers to the provided clues. Then snap a photo and it's off on the next quest. The clues, fun yet a little challenging, will have you driving all around St. John to find the answers. This is a great way to learn about the island, meet the locals and tour St. John all in one. Prizes will be awarded the next day to the top three jeep crews. The scavenger hunt includes a 4-person jeep, non-alcoholic beverages, all scavenger hunt clues, a disposable camera, film developing and prizes. (Four people/jeep—select your team or be grouped on-site.)

Itinerary:

1:00 PM Depart the Westin Hotel
TBD Return to the Hotel (You must return by 6:00PM.)

Price: \$75.00/person (Min. 12 persons/Max. 60 persons.)
