

2007 Fall Operations Management Seminar Sponsorship Opportunities

Each year, some CSAA Associate Member companies have generously sponsored events or items for the Fall Operations Management Seminar. This year the Fall Operations Management Seminar will be held at the Hilton St. Louis at the Ballpark from September 30th to October 2nd in St. Louis, Missouri. The seminar is attended by approximately 65 people, with the audience being primarily CS Managers.

Events or items can be sponsored as a whole or in part. Preference will be given to companies who want to cover the entire cost. Requests are fulfilled on a first-come, first-served basis. If you are interested in sponsoring an event, please fill out the *Sponsorship Request Form* enclosed, indicate your preference and sponsorship amount, and fax it back to me as soon as possible so we can give you the proper recognition at the meeting.

Sponsoring companies will have their color logo on the seminar manual, plus on a slide which will be featured before and after each seminar session.

CSAA always appreciates the generosity of our Associate Member companies in sponsoring events or items as it allows the meetings to be conducted at a level not ordinarily possible. If you have any questions, please don't hesitate to contact me at 703-242-4670, ext. 17 or meetings@csaaul.org
