

2007 CSAA Electronic Security Forum & Exposition Sponsorship Opportunities

The following events are available for Sponsorship during the 2007 CSAA Electronic Security Forum & Exposition at the Buena Vista Palace in Orlando, Florida. Events can be sponsored as a whole or in part. Preference will be given to companies who want to cover the entire cost of an event and are on a first-come, first-served basis. If you are interested in sponsoring an event, please fill out the *Sponsorship Request Form* enclosed, indicate your preference and the amount and fax it back to me as soon as possible as we want to give you the proper recognition right away. All sponsoring companies are highlighted in the CSAA *Dispatch*, the *Signals*, the Conference Program, On-site and on the CSAA website. Sponsors are encouraged to attend the events they sponsor not only for recognition but also for the opportunity to have the attendees express their appreciation.

Orlando is home to more than 95 unforgettable attractions, hosts more than 180 special events annually and draws more than 52 million visitors a year. Orlando was the site of our 2003 meeting with record attendance. Early sales of booth space is going well and we are certain that Orlando will once again set record attendance figures.

CSAA appreciates the generosity of our member companies in sponsoring events as it allows the meetings to be conducted at a level not ordinarily possible. If you have any questions or are interested in other possible sponsorship opportunities, please don't hesitate to contact me, John S. McDonald, (703) 242-4670 ext. 17 or meetings@csaaul.org. All events will be held at the Buena Vista Palace unless otherwise noted in the schedule.

Again, our most sincere thanks for your generosity in sponsoring events during the CSAA FORUM 2007.

John S. McDonald
CSAA Director of Meetings & Conventions
