

## IACP Foundation

# IACP Foundation Dinner With Mayor Rudy Giuliani

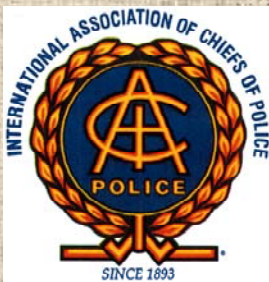

**Date: October 14, 2007**

**Time: 6:30 p.m.**

**Location: Doubletree Hotel  
New Orleans, Louisiana**

The proceeds of this event will benefit the IACP Foundation. The Foundation was established in 1990 with as its primary goals the advancement of professional policing and survivor support.

The IACP Foundation is proud to support a number of critical and innovative law enforcement programs: the well respected Center for Police Leadership, Images for Community Safety, Highway-Rail Grade Crossing Collision Investigation training, and the much in demand Michelle Norton story — a gripping video account of a mother whose two sons were killed in the course of a police officer's emergency response. In addition, the Survivors' Education Law Enforcement Trust (SELECT) provides scholarships to family members of officers who have been killed or permanently disabled in the line of duty. For more info on the IACP Foundation, go to [www.theiacpfoundation.org](http://www.theiacpfoundation.org).
