

2009 Annual Meeting Sponsorship Opportunities

The following events are available for Sponsorship during the 2009 CSAA Annual Meeting at the Grand Bretagne in Athens, Greece. Events can be sponsored as a whole or in part. Preference will be given to companies who want to cover the entire cost of an event. Requests are fulfilled on a first-come, first-served basis. If you are interested in sponsoring an event, please fill out the *Sponsorship Request Form*, indicate your preference and sponsorship amount and fax it back to me as soon as possible so we can give you the proper recognition right away. All sponsoring companies are highlighted in the CSAA *Dispatch*, the *Signals*, the on-site conference program and on the CSAA website. Sponsors are encouraged to attend the events they sponsor not only for recognition but also for the opportunity to have the attendees express their appreciation.

Athens, the city where democracy was born, remains today a beautiful and vibrant city, where history lives on in some of the world's most famous monuments. With terrific tours that will introduce you to Athens, the monuments, and some of the incredible territory which surrounds the city, as well as a world-class historic hotel as headquarters for the meeting, we are certain that Athens will be a popular destination. As always, we will have a great program of speakers and stellar social activities, so this is one meeting you and your CSAA customers won't want to miss.

CSAA appreciates the generosity of our member companies in sponsoring events as it allows the meeting to be conducted at a level not ordinarily possible. If you have any questions or are interested in other possible sponsorship opportunities, please don't hesitate to contact me, John S. McDonald, (703) 242-4670 ext. 17 or meetings@csaaul.org. All events will be held at the Hotel Grand Bretagne unless otherwise noted.

Again, our most sincere thanks for your generosity in sponsoring events during the 2009 CSAA Annual Meeting.

John S. McDonald
Director of Meetings and Conventions
