

Legal Defense Fund Contribution Form

The Central Station Alarm Association (CSAA) is seeking your assistance through contributions for a “legal defense fund” to pay for an amicus brief, supporting the New Jersey Burglar & Fire Alarm Association and defending our industry from a ruling that found the exculpatory clauses in contracts, including “limitation of liability” and “indemnification” clauses to be unenforceable.

If this judgment is upheld by the Appellate Division in New Jersey, it will have serious implications for the industry. Among other things, alarm companies could face increased liability exposure and significantly increased insurance rates.

Contributions are not tax deductible and are separate from your annual dues amount.

CSAA will accept contributions made by check, money order, or credit card. Please check one of the boxes to signify your contribution amount and provide the billing information below:

- \$100.00
- \$250.00
- \$500.00
